

# Florida Child Care Professional Credential (FCCPC) and Child Development Associate (CDA) National Credential Course

12 CEUs - 120 Clock Hours

The Birth Through Five National Credential Course is the optimal initial move for progressing in a career in early learning. This engaging and practical course addresses all facets of attaining the FCCPC, and covers the training prerequisites and the assembly of the Professional Portfolio for the National CDA. Through immersive Field Assignments and classroom observations of participant-child dynamics, the course goes beyond theory, fostering real-world experiential growth.
